The Long Island Commission for Aquifer Protection (LICAP) was created approximately ten years ago to address both quality and quantity issues facing Long Island's aquifer system. LICAP will be holding a public hearing on February 2, 2024 at 3:00PM to receive public input on issues related to allowing LICAP's Board Members to participate and vote via videoconferencing according to the Open Meetings Law.

The meeting and public hearing will be held via Zoom and at SCWA's Administration Building. More information on providing comment at the hearing is available at [www.licaponline.com](http://www.licaponline.com).
