The Long Island Commission for Aquifer Protection (LICAP) was created approximately ten years ago to address both quality and quantity issues facing Long Island's aquifer system. LICAP will be holding a virtual and in-person meeting followed by a public hearing on December 15, 2025 at 5:00 PM to receive public input on issues of regional concern facing Long Island's aquifer system and on LICAP's 2025 State of the Aquifer Report Update. To view a draft of the report, go to www.licaponline.com.

The meeting and public hearing will be held via Zoom and at the Suffolk County Legislature. More information on providing comment at the hearing is available at www.licaponline.com.
